Project Overview:

The Maryland Stadium Authority is leading a comprehensive redevelopment of the Pimlico Race Course to transform it into a year-round, world-class racing and community destination.

In partnership with McKissack & McKissack and THG Companies, Clark Construction is leading construction management services. Design by Ayers Saint Gross, Populous Holdings, and RK&K.

Upcoming Construction Activities

- Preventative pest control measures are ongoing and will continue throughout construction.
- Groundwater dewatering for the new tunnel will begin in January with no impact to domestic water utilities. Adjacent property owners were notified per MDE permitting requirements.
- Utility infrastructure installation and related sitework will continue through Spring.
- Pile driving is expected for February.

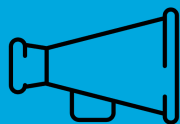

Anticipated Outages & Impacts

- None planned at this time.

The Clark team spreading holiday cheer at the Christmas Food Pantry & Diaper Hub on Dec. 22! We're proud to partner with Catherine's Family and Youth Services to support our neighbors in Park Heights.
